**THE DRESSAGE FOUNDATION WELCOMES SPOTLIGHT HORSE SHOWS
AS A CORPORATE SUSTAINING PARTNER**

January 8, 2021 – The Dressage Foundation is pleased to welcome Spotlight Horse Shows as a new Corporate Sustaining Partner. As a Sustaining Partner, Spotlight Horse Shows will help strengthen U.S. dressage by providing monthly support of TDF’s grants and programs.

“We are grateful for the support of Spotlight Horse Shows, which will further the educational opportunities for those in our sport,” said Jenny Johnson, TDF’s Executive Director. “We’re honored that they’ve chosen to support our work in this special way.”

Spotlight Horse Shows puts you in the spotlight by providing friendly competition with some of the top judges in the country. Their new US National Dressage Classic has 3 divisions: Dressage, Eventing Dressage, and Western Dressage. Riders will compete (online) and vie for a chance to represent their home state in the regional championships. The top 10 riders from each region will then go on to the National Finals. The goal of these online competitions is to provide a fun and educational experience that the entire family can enjoy. Spotlight Horse Shows also helps clubs customize shows particular to their needs. Further information can be found on their website at www.spotlighthorsheshows.com.

Gail Matheus, owner of Spotlight Horse Shows, said, “I have always been so very impressed with the work that The Dressage Foundation does. They make a tangible difference in the lives of their grant recipients. It is a top-notch organization and one that we want to support.”

The Dressage Foundation’s grants and programs support dressage education for youth, adult amateurs, instructors, judges, breeders, high performance teams and more, reaching all ages and all levels. Through its donors, TDF is working for dressage all over the country.
